

Name: Allison Fraser (Alli)

Job title: Clinical Team Lead

Work experience: I have worked in the Children's Learning Disability Team for 27 years. For the past 2.5 years I have been the Team Lead and before this I was one of the specialist nurses working with the most amazing children and young people. My area of special interest is Autism.

I am a mum of two adult children.

Likes: music, reading, dancing, holidays

Dislikes: eggs, wrinkles, bullies

Favourite TV programme or film: anything Harry Potter, Friends, Taskmaster

Name: Dave Dale

Job title: Specialist Learning Disability Nurse

Work experience: I have worked as a nurse with children and adults with Learning Disability for 7 years.

Likes: GYM, Superheroes, extreme sports, console gaming, Hull FC and pizza

Dislikes: corned beef hash, waiting in queues, Hull KR and scary movies

Favourite TV programme or film: Fallout TV series and the Avengers films

Name: Naomi Broadhead

Job title: Learning Disability Nurse

Work experience: I have worked as a nurse in the Children's Learning Disability team for a year and a half. Before I became a nurse, I looked after adults with learning disabilities and autism.

Likes: Disney, Reading, and Baking.

Dislikes: Heights, Spiders, and Broccoli.

Favourite TV programme or film: Beauty and the Beast, Harry Potter, Great British Bake off, and MasterChef.

Name: Eleanor Williams

Job title: Specialist Learning Disability Nurse

Work experience: I have been a qualified Learning Disability nurse for 6 years. I have worked in a medium secure forensic hospital, an Autism specialist school and the ASD/ADHD diagnostic team before joining the Children's LD team.

Likes: Dog walks, holidays, reading, rugby league, crochet, musicals

Dislikes: Football, peanuts, moths

Favourite TV programme or films: Jurassic Park, Shrek, True crime dramas, Disney, Marvel, Bob's burgers

Name: Laura Douglas

Job title: Specialist Learning Disability Nurse

Work experience: I have worked as a learning disability nurse for the last 8years. I have experience of working with adults with learning disability and mental health conditions in the prison setting and in forensic medium secure units. I then came across to work in the Childrens learning disability team and have been doing this role for the last 2 years.

Likes: Going on holidays, spending time with my two young children, music, and comedy.

Dislikes: Cold weather, liars and discrimination

Favourite TV programme or film: Silent witness, coronation street, any comedy or horror films

Name: Rowan Bye

Job title: Registered Learning Disability Nurse

Work experience: I have worked as a nurse with children and young people with Learning Disability for 3.5 years. I have also worked as a PA for adults with Learning Disability. I have a special interest in Autism.

Likes: Music, gaming, theme parks, Halloween, arts and crafts.

Dislikes: Discrimination, loud noises, broccoli.

Favourite TV programme or film: Harry Potter, Bob's Burgers, horror films, anything Disney!

Name: Sam Findlay

Job title: Specialist Learning Disability Nurse

Work experience: I have worked in the Children's learning Disability Team for 2.5 years. I have also nursed older adults in a mental health setting, worked in schools, and delivered early intervention/communication groups. I have a special interest in Down Syndrome. I am a mum of two young people, one of whom has a learning disability.

Likes: Swimming (especially outside), music and musicals, reading, bright colours, sunshine!
