Name: *School:*		D.O.B:		
Overall aim(s)	*Where am I now?*	What will I achieve?	Outcome	Actual Outcome
To help the child improve their expressive and receptive language skills to their full potential	The child is not using comparative/superlatives appropriately	The child will be able to use an appropriate comparative/superlative 80% of the time during structured therapy activities. There will be an increase in the child's correct use of comparatives/superlatives in spontaneous speech .		
Therapy package: Targets will be reviewed as agreed with the speech and language therapist	Timescale: As agreed with the speech and language therapist	Factors contributing to outcome: Commitment from adults working with the child and regularity of practice.		

Please work through the following activities. If you have any questions or feel that the targets have been achieved, please contact the speech and language therapist.
