Speech and Language Therapy Courses Training

The Speech and Language Therapy Team within the Learning Disability Service is pleased to announce that our training courses will be returning to **face to face sessions**, with two exceptions; Eating and Swallowing Awareness on the 14th April and Signing on the 7th June.

To allow more time for group discussion some of the courses have reverted to their previous longer running times. Please check the details of each course before booking on.

These sessions will run in the Lecture Theatre at Humber Teaching NHS Foundation Trust's headquarters at Willerby Hill, which allows ample space for social distancing to be maintained throughout.

There are tea and coffee facilities on-site and several shops, cafes and fast-food restaurants within walking distance.

Please make sure that the email address given on the application form is correct and clearly written as we will send certificates and handouts to these addresses.

We look forward to seeing you in person in the coming months.
